FROM OUR LEADERS

A Community With a Solid Foundation!

The Salina area is a wonderful place to live, work, play, raise families, and forge relationships. And, really, just a great place to do about anything! It seems to me the Salina community is working so well together to accomplish this ever-changing task. These beautiful relationships have brought all types of exciting growth, beautifications, and exciting places to the delightful community we live in.

The Greater Salina Community Foundation has had another great year with many new funds being established. Funds are being opened by people and families from all walks of life, and all income levels, helping to ensure that charitable giving is being spread across many important causes.

Our grants and scholarships funding is certainly a highlight throughout the year. To be a part of the funding to various agencies and students gives a promising glimmer of sight into the future of our community!

We have 10 solid affiliates that are part of our Foundation. Smaller communities who are working hard to enrich their areas and causes by investing their dollars with our Foundation. This is a great partnership for all of us working together to share our Foundation resources with these affiliates.

It takes many people sharing their time, talent, and hard-earned money to keep us moving in an exciting and growing direction. The Greater Salina Community Foundation helps people support the causes and charities of their choosing today and well into the future. We are a Foundation built on solid principles to help people invest in our community by building permanent endowment funds.

Thank you for your outstanding support!

Thank you! The Salina community and surrounding areas simply wouldn't be what they are today without the support of many people coming together and sharing their resources. I'm proud to live in a community that embraces the motto "We're better together!"

GIVING TOGETHER

MATCH MADNESS SETS NEW RECORD WITH 5TH GRADERS!

Match Madness continues to set new records in what has become Salina's biggest day of giving. On March 23, 2023, donors contributed \$641,556 to 93 nonprofit funds held at GSCF. With \$306,476 in matching dollars and bonus prizes, the total impact for the day was \$948,032.

Part of what makes the day fun, however, isn't necessarily the dollar amount raised, but the sense of community that can be felt on that day.

"It's very exciting to see people of all walks of life come through the doors, equally excited to give to their favorite charities," said Jessica Martin, Executive Director. "People are smiling and you can see the feeling of joy they have when making their donations."

Next Generation of Givers

This year, thanks to the generosity of Ken and Karen Ebert, the 5th graders at USD 305 got to experience

firsthand what it was like to give back to the community. With a donation from the Eberts, each 5th grader was able to donate \$10 to their favorite charity at Match Madness.

"If we can start our young people believing and understanding philanthropy at this age, it is a great way to help them support charities in Salina," said Karen Ebert. "The experience of Match Madness was a great way for fifth graders to see for themselves all the good that is being done in the Salina community."

Prior to the event, the students watched a video explaining the event and philanthropy, and then were able to visit the different nonprofit booths before making their decision on where to donate their money. Overall, 423 fifth graders participated, supporting 65 organizations.

"It is so exciting to see the next generation coming out to support the nonprofits in our community,"

said Martin. "This is really what the community foundation is about—bringing everyone together, donations big and small, to make a bigger impact."

WORKING TOGETHER

Salina Tennis Center: A Public-Private Partnership

It's been six years in the making, from developing the idea to bringing to fruition a \$2.6 million tennis complex to the City of Salina... but in the end it was worth it!

"Salina is an amazing place and I love it. It's rewarding working with others to bring this to fruition, but ultimately it's worth it because it's going to make a big difference in our community," said Clark Renfro with Salina Tennis Alliance (STA).

The 12-court facility was completed in late 2022 and is a state-of-the-art all-outdoor tennis facility. Prior to that, the city tennis courts were in disrepair and not safe to play on. There were also not enough courts to host any major tennis tournaments. Both served as motivation to start a public-private partnership to build something that would honor Salina's strong tennis history as well as bring outside dollars into our community.

The group worked with the Greater Salina Community Foundation to accept private donations until STA was able to get its own 501(c)(3) designation. "The team at GSCF stepped up to help us navigate the donation side of things which made our ability to go out and fundraise come together quicker," said Renfro. Nearly \$2 million was raised by private donors towards the project with \$600,000 from the City of Salina.

When asked what he hopes this project will accomplish, Renfro said, "I hope it will accomplish improving the quality of life in Salina, and the opportunities for people to participate in a game that is so near and dear to this community."

About the Facility

The Salina Tennis Center is an all-outdoor tennis facility with 12 state-of-the-art laykold-surfaced hard courts with lighted courts and hitting wall, as well as plenty of space to accommodate spectators. The former Municipal pool house, now the tennis building, has been converted into bathrooms and storage area. It is managed by Salina Tennis Alliance, a nonprofit organization with a deep love for community and the lifelong game of tennis.

The facility is open to the public and offers affordable clinics, lessons, open court usage, tournaments, and other opportunities for all ages and levels of tennis play. Scholarships are also available. Learn more at www.salinatennis.org

GRANT IMPACT

Over \$30.8M was granted on behalf of our donors and regional affiliates in FY23. Of those dollars, \$13.3M was granted to Saline County nonprofit organizations, some recommended by donors through their funds and others determined by a local GSCF grants committee.

This year, the GSCF grants committee awarded nearly \$225,000 to 33 charitable organizations supporting 48 local projects through a competitive grant application process.

About our Affiliates

The Greater Salina Community Foundation hosts 10 regional affiliates, serving 13 counties throughout north central and western Kansas. Affiliates receive financial and administrative services, marketing support, and on-going training and technical assistance from GSCF staff. Each affiliate foundation is governed by its own local advisory board and works with the people in their communities to make a difference. This year, the affiliates granted over \$4.6M back to their communities and collectively have \$55.4M in assets.

Thanks to partnerships with the Dane G. Hansen, Kansas Health and Patterson Family Foundations, many of them are also able to sustain a local staff member through grants and administrative endowment support.

HOW IT WORKS

Our mission is to build permanent resources that will be here forever to support your passions and make the greater Salina area a better place for future generations. Here's how it works:

You make a gift to an existing fund or establish your own charitable giving fund. Contribute cash, stock, grain or other complex assets, and receive an immediate tax deduction in the same calendar year.

We invest our funds for long-term growth, making sure that your donation and fund will be here forever to support your passions.

Our trailing 10-year annualized return is 7.96%.

We distribute annual grants and scholarships from the funds based on criteria set by donors, just like you, to support local nonprofits and students.

Grants can be made in your name or anonymously.

FUND STORY

Kenneth “Ken” and Madonna McCall moved to Bennington in 1949 where they bought and ran the hardware store for 30 years before selling it in 1979. The store not only had a full line of hardware items but also small appliances, work boots and an excellent variety of fabrics. Madonna was as skilled as Ken in the hardware section, and was often found helping customers solve their plumbing and home repair issues.

After the sale of the hardware store and death of Ken, Madonna stayed active serving as a volunteer for the grade schools. She helped with the art classes in the primary grades and was not happy when budget cuts led to a reduction in elementary art programs.

KEEPING MONEY LOCAL

Madonna was also a long-time member of the Bennington Senior Center and was very supportive of the activities and projects of the center, especially after the most recent renovation to the historic building. She was always stationed near the front door as the official “greeter” at every church supper or ice cream social and knew everyone from her years at the hardware store.

Madonna was full of spunk and lived on her own until the age of 97. About three years before she died, Madonna visited with friend and Senior Center Treasurer Jim McClain, and told him that she had listed the Senior Center as the beneficiary of one of her CDs she had in the bank. She asked him if he “wanted the money now or after she dies?” Jim replied that the Senior Center didn’t need it anytime soon, and that she should talk with someone to learn more about her giving options. Madonna wanted the money to stay local and that “since the money was earned in Bennington at the hardware store, the money should stay in Bennington if possible.”

Madonna’s wish to keep the money in Bennington was granted. Upon her death, she established a permanent designated fund in Ken’s and her name at the Ottawa County Community Foundation, an affiliate of the Greater Salina Community Foundation. Since the fund was established, it has made over \$120,000 in annual grants to seven local charities, and it will continue to make annual grants in the future in Ken and Madonna’s name forever.
